All team members will be expected to show up to all games and training sessions. If they do not show up to training, without a valid reason, they may not be able to play that week's game. Team commitment is a priority.

We have created a roster for the season, scheduling 10 students per game. This is designed to be as fair as possible giving students the opportunity for more game time when they are rostered on. If you are aware of a week you will be away, or you know early in the week your child might be sick, please let us know, so that we can adjust the roster accordingly.

Season Schedule:

Please follow this link [League & Tournament Scheduler](#) to see the draw for the season. The draw is subject to change so please check each week to confirm the time and court.

Coaching & Managing: Thank you to Mrs Kotze & Mrs Hadfield for your offers to help manage and coach the team. I will provide Mrs Kotze with the contact details for all parents to facilitate communication prior to the games.

Parent/Caregivers: Please sign your child up online by **Thursday 5th August 2021** by using this web address:
